

NORTH EUROPE TRADE ANNOUNCEMENT

GRI Effective Sept 1, 2009

VALUED CUSTOMER,

As consequence of current unprecedented low freight levels which are no longer sustainable under the present economic conditions and despite the company's continuous efforts to reduce costs, MSC announces the following GRI Effective September 1st, 2009.

Dry Van Containers:

EASTBOUND

Traffic from Atlantic, Gulf and Pacific Coast Ports

\$ 150 per 20ft container

\$ 250 per 40ft container

Mediterranean Shipping Company wishes to thank all Valued Customers for the support received and is committed to provide our Shippers with a value added competitive service.
