

30 July 2009

BAF: USA and Canada to Southern Africa and Indian Ocean Islands

Dear Valued Customer,

Maersk Line would like to announce our newly adjusted Bunker Adjustment Factor (BAF) levels, effective September 1, 2009.

The scopes and rates are listed as follows:

Scope: United States and Canada to Southern Africa and Indian Ocean Islands

- Old Tariff: USD 290 per 20' dry container / USD 580 per 40' container / 40' high cube container / reefer
- New Tariff: USD 300 per 20' dry container / USD 600 per 40' container / 40' high cube container / reefer

We thank you for your business and look forward to continually serving your global transportation needs.

Should you have questions or require any assistance with this information, please contact Maersk Line Customer Service at 1-800-321-8807 (within Canada and the United States)
